Contract Fees Charges

The charges, fees, discounts, penalties or adjustments which may be imposed under the recommended contract in connection with the purchase, holding, exchange, termination or sale of the contract are:

- **Sales charge:** Nationwide does not deduct a sales charge from purchase payments upon deposit into the contract. However, in some circumstances, Nationwide will deduct a contingent deferred sales charge (“CDSC”) if any amount is withdrawn from the contract. This CDSC reimburses Nationwide for sales expenses. For purposes of calculating the CDSC, surrenders are considered to come first from the oldest purchase payment, then the next oldest, etc. Earnings are not subject to CDSC but may not be distributed prior to the distribution of all purchase payments. Note for tax purposes, a surrender is treated as a withdrawal of earnings first.
- **CDSC Schedule:**

Number of Completed Years from Date of Purchase Payment	0	1	2	3	4	5	6	7	8	9	10	11	12
CDSC Percentage	10%	10%	10%	10%	10%	9.5%	9%	8%	7%	6%	5%	4%	0%

- **Market Value Adjustment (MVA):** Applies during the CDSC period to withdrawals in excess of the contract’s free withdrawal amount, and does not apply to long-term care event or terminal illness or injury withdrawals or if a death benefit is payable.

Contract Fees Charges (continued)

- **(Optional) Nationwide High Point 365® Lifetime Income Benefit Rider:** Available at contract issue; not available in conjunction with the Nationwide High Point® 365 Rider. Annual rider charge is 0.95% based on the high point income benefit base and reduces the contract value. If the Purchase Payment Bonus is elected, the rider charge increases from 0.95% to 1.60% for the life of the contract assessed quarterly and reduces the contract value.
- **(Optional) Nationwide High Point® Enhanced Death Benefit Rider:** Available at contract issue; not available in conjunction with the Nationwide High Point® Enhanced Death Benefit Rider. Annual rider charge is 0.55% based on the high point death benefit value, assessed quarterly and reduces the contract value.
